

Chiba University Students only

# Firsthouse Funabashi

JR Sobe Line Funabashi Sta.

Walk 5min.

95 % of rooms have balcony in each room with good sunshine and good wind which make you feel relax in here. Residents are various; Japanese, Americans, Europeans, and Asians. Funabashi station, which is the biggest station in Chiba prefecture, is only 5 min walk from the house. So you don't have to worry about shopping. You may find many kinds of stores here and you will be excited about it!

Enjoy international exchange and international cuisine!

Rooms with different character

Center of the property: Living room

With a year-round foreign occupancy rate of around 50%, A great place to enjoy life with foreign residents. When you cook together, you may even be treated to dishes from your own country!

Not only socializing, but also privacy is important. Each room is fully furnished and ready to move in. The spacious 6-mat private room allows you to spend time alone.

The living room with sofa and TV is connected to the kitchen. A place of exchange where everyone gathers! Meeting new friends is priceless.

## Move-in Flow

## What is a share house?

People of various nationalities and ages share a building together.

New experiences and discoveries in the process. Because people from various backgrounds gather together, you and everyone else can grow together.

At Interwhao, we value communication and our staff is actively involved.

That is why we are quick to respond to any problems that may happen.

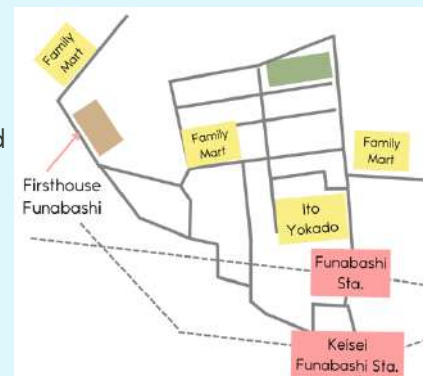

Our staff members make regular checks to ensure that they can be easily consulted about anything and remain as adults, and we also hold events and other activities each season.

## Access / Location

Conveniently located just a 5-minute walk from Funabashi Station on the JR Sobu Line!

The main street stretches from the station, where you can find everything you need for daily life!

Easy access to Tokyo Station (25 minutes) for commuting to work or school.
